Email: shraddhayadavxa@gmail.com
Mobile: +91 9793652612

SKILLS

- **Languages**: C, C++, Java, Python
- **Tools/Platforms**: Nmap, Nessus, Metasploit, Kali Linux, Burp Suite, Wireshark
- **Soft Skills** Creative, Problem-Solving, Leadership, Adaptability

PROJECTS

Student Performance Predictor: | 26shraddha2006/Student-Performance-Predictor--1- July 2025

- Advanced student performance forecasting by building a prediction model using scores, attendance, and variance, reaching 85% accuracy.
- Streamlined data processing by applying custom structures and QuickSort indexing, reducing computation time by 40%.
- Elevated academic insights by designing a Chart.js-powered analytics dashboard with full data controls, reporting efficiency by 90%.
  Tech Stack: HTML, CSS, JavaScript, DOM, Chart.js, QuickSort, Data Modeling

Real-Time Memory Allocation Tracker: | 26shraddha2006/OS_project April 2025

- Developed an OS-level memory simulation system supporting Contiguous Allocation, Paging, and Segmentation with 95% accuracy.
- Enhanced user interaction by building a DOM-driven visualization interface for reliable real-time memory updates.
- Strengthened algorithm evaluation by integrating utilization and fragmentation metrics, improving comparison efficiency by 75%.
  Tech Stack: HTML, CSS, JavaScript, DOM, OS Simulation

SUMMER TRAINING

Lovely Professional University – Basics of DSA June 2025-July 2025

- Completed summer training in *Basics of DSA*, covering Arrays, Linked Lists, Stacks, Queues,Trees, and Graphs.
- Practiced coding problems focusing on time and space complexity optimization.
- Improved algorithmic thinking using recursion, sorting, searching, and dynamic programming.

CERTIFICATION

OCI AI Foundations Associate | Oracle	Sept 2025
OCI Generative AI Professional | Oracle	Sept 2025
Cybersecurity Analyst Job Simulation | Forage	Sept 2025
Data Structures and Algorithms Certification | LPU	July 2025
Cloud Computing Certification | NPTEL	April 2025

ACHIEVEMENTS

- Completed TryHackMe and LeetCode 30-day, 90-day, and 180-day hacking challenges and earned all associated badges.
- Solved 100+ Data Structures and Algorithms problems on LeetCode.
- Chosen as a Contributor in the national open-source program GirlScript Summer of Code 2025 (GSSoC '25).
- Top 4% Global Performer – TryHackMe

EDUCATION

Lovely Professional University Phagwara, Punjab
Bachelor of Technology Aug 2023– Present
Computer Science and Engineering; CGPA: 7.82

Delhi Public School Saharanpur, Uttar Pradesh
Intermediate Mar 2022 – Mar 2023
PCM; Percentage: 84.8

Delhi Public School Saharanpur, Uttar Pradesh
Matriculation; Percentage: 88.4 Mar 2021 – Mar 2022
